Please remember to provide us with an e-mail address!

We do not need a list of your student's names until 2 weeks prior to the test date. You will need to email to me the list of student's names in each testing category. The names will be used for grading purposes only.

Participation Certificates will be found in your welcome packet that you receive on contest day. You will need to fill in each student's name who is participating in the contest. We are no longer printing the certificates. This will allow for each school to make changes in students who will be testing up until the 2 weeks prior to the test date.

I certify that we will select contestants that our school brings to the Thirty-seventh Annual Mathematics Contest in accordance with the September 30, 2003 Contest Rules as set forth in enclosure.

A student may compete in Math 1, Math 2 or Math 3 if she/he has been enrolled in the course during the present academic year (August 2024 – June 2025). For more information, see attached state rules.

I further understand that failure of the school to abide by all contest rules could result in the school and/or its contestants being rendered ineligible for individual, school, and/or scholarship awards.
